Title of Recipient: Communication and Outreach Specialist

Brief Description of Item Solicited, Accepted, or Received and approximate value of item: Recipient will be provided a working lunch during an upcoming meeting with similar regional organizations.

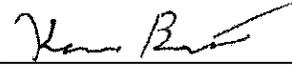

Date of Receipt: Wednesday, August 8, 2018

Name of Donor: Self-Advocates Becoming Empowered (SABE)

Donor's Address: P.O. Box 872, Mason, OH 45040

Nature of Business Relationship with Agency: Indiana Disability Rights is currently involved in SABE's "Go Voter" project, an initiative which seeks to educate and empower voters with disabilities. The meeting in which the lunch will be provided is an important opportunity for Indiana Disability Rights to network with partner protection and advocacy organizations so that they can work together to advance voting initiatives under the guidance of the national SABE organization.

State Why Acceptance is in the Public Interest: Without acceptance, the recipient will not be able to fully participate in the agenda of the meeting. The lack of participation would then jeopardize the opportunity to network with partners in pursuit of improving Indiana Disability Rights' voting initiatives. Those initiatives directly relate to a federal grant received annually by the agency. Thus, acceptance is in the public interest so that the recipient can fulfill duties directly related to the work required of the agency by the federal government.
